October Meeting Minutes

- Barbara Anderton, our second candidate for club President, presided over the October meeting. The meeting was called to order at 7:30. Barbara thanked Al Woltman, the other candidate for President, for presiding over the September meeting. The elections will be held at the November 1st meeting. Besides the two candidates for President, Kyle Miles is running for Vice President and Charlotte Key is running for her current position of Treasurer. There is no one running for the Secretary position.
Barb reported that George Magann had been badly injured in a fall in the mountains and was recuperating in the hospital. Please send your thoughts and prayers out for a speedy recovery for George.
Bob Meneely is taking over as web site editor for Don Dunn and has also volunteered as Hunt Master and has put together a planted hunt for November 10th. Please see the attached flyer for details.
As noted in the last news letter, the Sunday Day-in-the-Park hunts are starting an hour later beginning in October. There is no longer a 4th Saturday hunt. If someone would like to volunteer to run a Saturday hunt, please speak to a Board member.

New Business:

- Al Woltman had invited a guest speaker for the prior month's meeting, but because of a schedule mix up, he couldn't make it until the October meeting. The Club welcomed Mike Bowers of Foresthill, CA. Mike gave a very interesting and spirited talk on topics ranging from helping Whites develop detectors, detecting for gold in flooded mines, to searching for parts of downed aircraft, and how a metal detector works by demonstrating wave forms. Mike had a little something of interest for all of the audience and the Club members were very appreciative of his talk.
- Barbara related the case of the volunteer that was stuck by a hypodermic needle while helping to clean up the American River Parkway and cautioned the Club to be careful when detecting and keep alert for any dangerous objects.
- There followed a discussion of where and when to hold a mini (planted) hunt. This has since been decided by new Hunt Master Bob Meneely (see attached flier for the hunt).

- Next, Barbara suggested we should have a list of places to sell the items members find (gold, silver, etc.) that give fair pricing. Our guest, Mike Bowers, mentioned Gold Rush at Sunrise & Madison, but told the group to not be afraid to shop around. Members that have had good experiences with area businesses should inform the board so other members have a resource when they want to sell.
- James Neeley won show & tell. See the attached photos.
