August Meeting Minutes

- Barbara called the meeting to order.

Vice President's Report: Kyle Miles

- Kyle talked about all the interesting material available in our library. In particular, he mentioned the book The Goat Doctor which may sound like it has little to do with our hobby, but you'll have to read it to find out why it's in our library.

Secretary's Report: Steve Timmons

- Steve talked about the fun of our hobby when unusual opportunities present themselves, such as an old building being torn down or a storm uncovering long buried treasures.

Treasurer's Report: Charlotte Key

- Charlotte reported the financial activity for the month.

Membership Report: George Magann

- George reported there are now 160 paid members. The night's membership drawing prize was a nice silver round.

Web Site Report: Bob Meneely

- Bob noted there was not much action in the classified section of the web site. Most of the time people just bring what they have to sell to the meetings. The search team had one call for a ring lost in the river and had not responded yet.

Hunt Master Report: Dan Cordes

- Dan was absent.

New Business:

- Don Dunn noted there were 3 first prizes for the evening, two gold coins and a silver American Eagle. See the photos for the winners. Don is still looking for more Morgans and Peace dollars, but said he had found a place in Arizona that had relatively cheap dollars.
- Al Woltman has volunteered to run the new silent auction. There will be a signup sheet and 5 or 6 people will be picked each time and may display 5 or so items for sale. The club will keep 5% of the proceeds. The auctions will start in September and be held every other month (Sept, Nov, Jan, etc). There will be no sale table on the months there is a silent auction. This is experimental and we will see how it works out although Barbara said they did this at her old club and it worked well.

- Lee Weise spoke about the metal detecting climate across the U.S. becoming more and more difficult for hunting in cities and we should all try to stay involved to preserve our hobby.

- Barbara talked about the upcoming elections for the Board which the by-laws state are held in November. She and Secretary Steve are going to be out of town for the November meeting and would like to postpone the election until the December meeting. There will be a member vote for the postponement prior to the November meeting. Don Dunn volunteered to run the election. If you have an interest in running for any of the positions, see Don. The elected positions are President, Vice President, Secretary, Treasurer and Membership. Kyle Miles has said he will not run for VP, so that position has no one running as of the last meeting. All positions are open for anyone wishing to run.

- Several items were auctioned off by Paul Giese:
 Pocket Knife - \$10
 Mine Lab Support Strap - \$17
 Big knife - \$25
 Book & Bag - \$8
 Coin Book - \$16
