## December Meeting Minutes

### Presidents Report: Barbara Anderton

Barbara called the meeting to order.

### Vice President's/Web Site Report: Bob Meneely

Bob mentioned we are looking for a volunteer to coordinate the Metal Detector Help service offered on the web site. We had a list of helpers but not anymore. We need to find club members that know how to use a particular type of detector for a resource list and someone to direct emails requesting help to the member or members that know how to use that detector. Currently the best option is to either attend a meeting and ask for help or go to one of the weekend hunts to ask for help.

### Secretary's/Newsletter Report: Steve Timmons

Steve said how much he has enjoyed helping the club as Secretary and encouraged members to volunteer for the position. He will continue to do the newsletter when he is at the meetings to take notes. If anyone is interested in handling the newsletter please talk to Steve.

### Treasurer's Report: Al Woltman

Al reported on the club finances for the past month.

### Membership Report: George Magann

George is busy with membership renewals and signing up new members. Remember to renew your membership for 2015.

### Recovery Report: Scott Newens

Scott said no requests had come in.
